

baking instructions

1. DO NOT THAW PIE.
2. Preheat oven to 425°.
3. Line a baking sheet with foil.
4. Cover frozen pie with foil.
5. Place on baking sheet and put in oven.
6. Bake for 50 minutes and remove foil.
7. Continue baking until crust is browned and filling is bubbly, about another 40 minutes depending on your oven.
8. Watch carefully during the last 20 minutes of baking time. You may need to cover the edges with foil again if crust starts to get too brown.
9. To check that it is fully cooked, in Apple or Peach pies, insert a toothpick in the vent hole. If it goes in smooth the fruit is cooked.
